

INDIA SANITATION COALITION
BUILD • USE • MAINTAIN • TREAT

E - NEWSLETTER 2023 (ISSUE 32)

Ms. Naina Lal Kidwai, Chair, India Sanitation Coalition met Hon'ble President of India, Smt Droupadi Murmu along with FICCI President Mr. Subhrakant Panda, Past President FICCI Mr. Y K Modi & FICCI Secretary General Mr. Shailesh Pathak. Ms. Kidwai also had the honor of presenting her authored books 'Survive or Sink' and '30 Women in Power' with Hon'ble President.

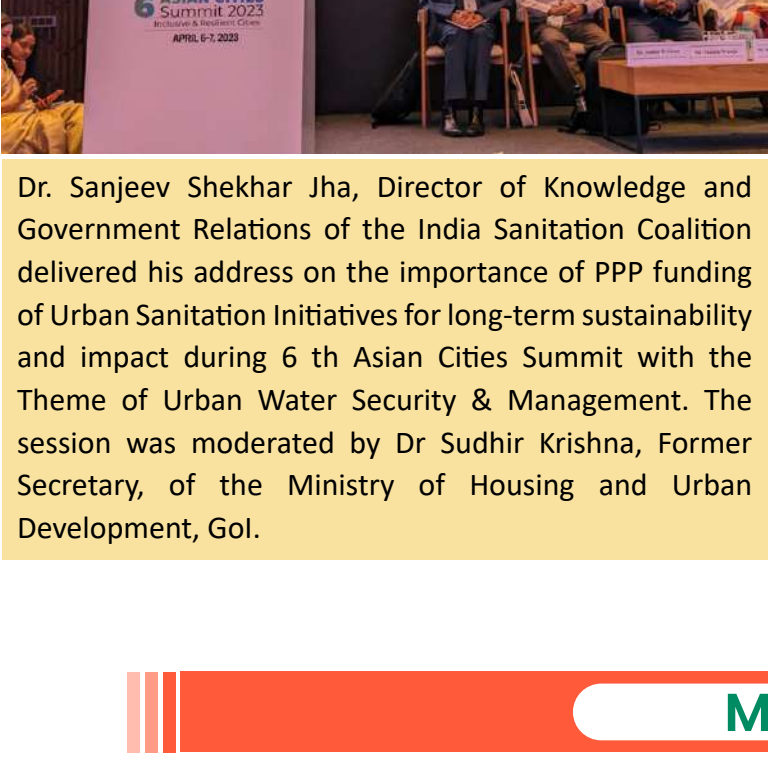

The launch of the India Sanitation Coalition's new website is another major highlight. In June 2023, ISC embarked on a transformative journey to enhance sanitation practices across India with a dynamic platform, designed to foster collaboration, innovation, and progress. It will help discover valuable resources, insightful research, and inspiring success stories that showcase the power of collective action to explore, engage, and be a catalyst for change.

APRIL

ISC has been tirelessly working through its Public-Private Partnership model with different govt. departments, ministries, corporates and grassroots organisations to improve the access to clean toilets and handwashing facilities, proper waste management, and menstrual hygiene management, to prevent various health issues in different remote pockets of the country.

Ms. Natasha Patel, CEO, ISC, shared the above message on World Health Day to ensure good health for everyone.

FICCI India Sanitation Coalition logo. Quote: "The Lighthouse Initiative will impact the health, education, and livelihoods of the communities, including women and children primarily through giving them sanitary and hygienic villages to live in as well as manage on their own." #HealthForAll Ms. Natasha Patel CEO, ISC

Dr. Sanjeev Shekhar Jha, Director of Knowledge and Government Relations of the India Sanitation Coalition delivered his address on the importance of PPP funding of Urban Sanitation Initiatives for long-term sustainability and impact during 6 th Asian Cities Summit with the Theme of Urban Water Security & Management. The session was moderated by Dr Sudhir Krishna, Former Secretary, of the Ministry of Housing and Urban Development, GoI.

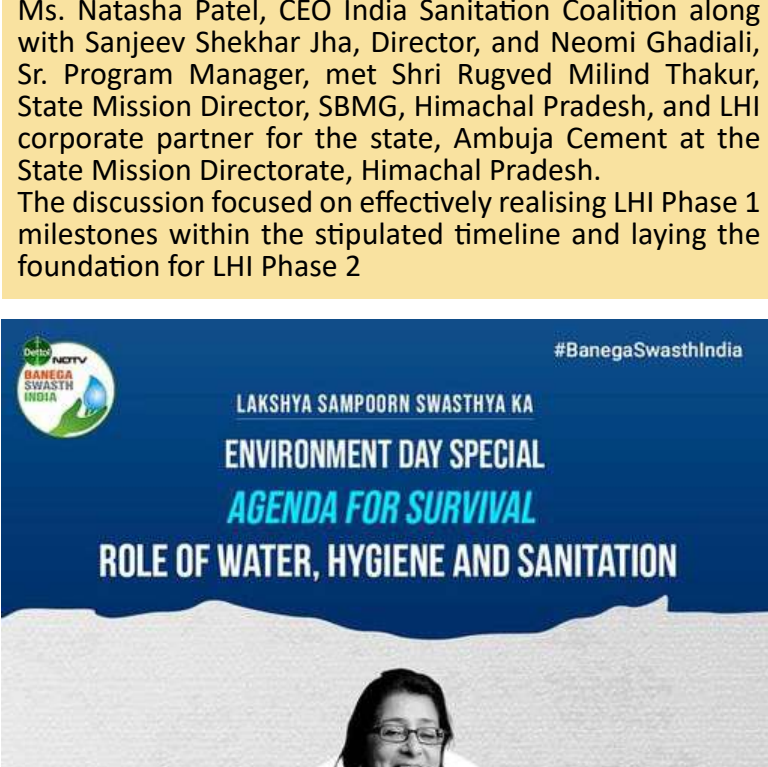

AIMA YOUNG Leadership Session on Sustainable Growth and Opportunities. Ms. Naina Lal Kidwai, Chairperson, Rothschild & Co India & Former Chairperson, HSBC India and Executive Director on the board of HSBC Asia Pacific.

MAY

Snapshot from high level advisory board virtual meet. Board members came together to deliberate on the project Climate Resilient Coastal WASH Infrastructures: Coastal Cities in Maharashtra and Other States. Climate change represents the most significant challenge of the twenty-first century and poses severe risks to water and sanitation services. To safeguard WASH infrastructure and services against potential risks posed by climate change, four partners - HSBC, ISC at FICCI, IIT-Mumbai & CDD India have come together in one of its kind and unique partnership. The project 'Climate Resilient Coastal WASH Infrastructures', would mainly focus on the mitigation aspects of building climate-resilient WASH infrastructure and service provisions, by making policy recommendations towards reducing carbon footprint and energy footprint in WASH.

UNICEF Reports. Hand hygiene, a simple yet powerful intervention holds the potential to save countless lives and alleviate the economic burden associated with treating such infections. It is imperative for countries worldwide to expedite the implementation of lessons learned from the COVID-19 pandemic and specifically focus on hand hygiene.

Team India Sanitation Coalition along with partners ITC and Tata Trusts visited the Andhra State Mission of SBMG on Advocacy and policy to achieve the Lighthouse objective of securing ODF Plus model villages for the State.

On National Technology Day. Let's hear from the organisations who are leveraging technology to improve sanitation. On the National Technology Day, ISC shared the incredible organizations that are using technology to transform sanitation services and practices and promote better health outcomes in the country.

BanegaSwasthIndia. LAKSHYA SAMPOORN SWASTHYA KA ENVIRONMENT DAY SPECIAL AGENDA FOR SURVIVAL ROLE OF WATER, HYGIENE AND SANITATION. Watch on June 3 at 4.30pm (IST) on ndtv.com/swasthIndia.

Ms. Naina Lal Kidwai, Chair, ISC, shared her insightful thoughts on the Agenda for Survival - Role of Water, Hygiene, and Sanitation at the Environment Day Special by NDTV.

#PeriodFriendlyToilet #MAYDAY2023. #WeAreCommitted to making menstruation a normal fact of life by 2030. On the Menstrual Hygiene Day, ISC raised awareness about challenges in accessing menstrual products, menstrual education, and period-friendly sanitation facilities.

Dr Naina Lal Kidwai, Chair - India Sanitation Coalition. Ms. Naina Lal Kidwai, Chair, ISC on a special telecast of Mission Swachhta Aur Paani, an empowering initiative by Harpic India & CNBC-TV18, discussed how important it is to integrate comprehensive menstrual hygiene in school curriculum so that kids understand how it is an important and natural part of the cycle and make it commonplace, as these are all the elements of social change.

Ms. Naina Lal Kidwai, Chair ISC, on stage with Mr. Sanjeev Bajaj, CMD Bajaj Finserv, Mr. TV Narendran, CEO & MD, Tata Steel Ltd., Ms. Mallika Srinivasan, Chairman PESB & CMD, TAFE, and Ms. Shereen Bhan, Managing Editor, CNBC TV18, for Mr. Amitabh Kant, Former CEO, NITI Aayog book 'Made in India' launch in New Delhi by Dr. S Jaishankar, Minister of External Affairs, GOI.

JUNE

Ms. Naina Lal Kidwai participated in an enlightening roundtable about the role of insurance sector in India's growth with IRDAI chairman, Mr. Debasish Panda, FICCI President Mr. Subhrakant Panda, FICCI Secretary General Mr. Shailesh Pathak & Ms. Jyoti Vij, Additional Director General, FICCI on the occasion of National Insurance Awareness Day.

7th ISC - FICCI SANITATION AWARDS 2023. JULY 16th DEADLINE EXTENDED. REGISTER NOW. To know more about application process visit: https://www.indiasanitationcoalition.org/india-sanitation-awards.html

LET'S CREATE A WAVE OF POSITIVE TRANSFORMATION. #WORLDENVIRONMENTDAY. The theme for this year's World Environment Day 2023, #BeatPlasticPollution, 'Ecosystem Restoration' reminded us that our actions regarding plastic have far-reaching consequences, impacting our oceans, soil, and forests.

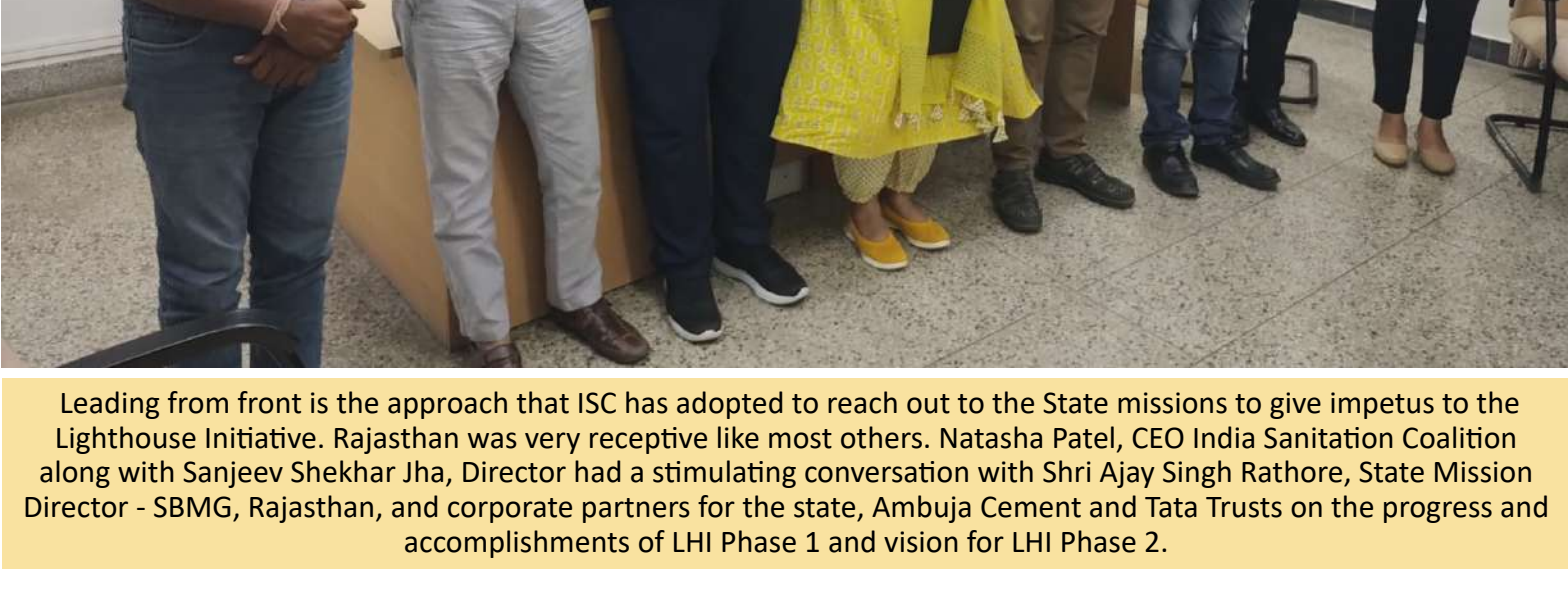

Ms. Pearl Tiwari, Director & CEO of Ambuja Cement Foundation and Steering committee member ISC offered an open invitation to all change makers to participate in the 7th edition of the ISC-FICCI Sanitation Awards 2023.

World Health Organization. "We are witnessing the role of safe drinking water in saving lives, empowering women and girls, and contributing to ease of living". This was stated by Dr V K Paul, Member (Health), NITI Aayog at the launch function of the groundbreaking report of WHO highlighting the substantial benefits of the "Har Ghar Jal" program in India, on June 9 last at a Delhi event. ISC participated in the launch function and contributed to the deliberations at the forum.

Mr. Ishan Raina, Strategic Advisor, Rainshine Entertainment, shared information on the extended timeline for applying for the 7th Edition of the ISC FICCI Sanitation Awards 2023.

Leading from front is the approach that ISC has adopted to reach out to the State Missions to give impetus to the Lighthouse Initiative. Rajasthan was very receptive like most others. Natasha Patel, CEO India Sanitation Coalition along with Sanjeev Shekhar Jha, Director had a stimulating conversation with Shri Ajay Singh Rathore, State Mission Director - SBMG, Rajasthan, and corporate partners for the state, Ambuja Cement and Tata Trusts on the progress and accomplishments of LHI Phase 1 and Ambuja for LHI Phase 2.
